**REGISTER TO VOTE!**

The R.O.V.E.R. Votemobile will be at  
**Riverside Airport this Saturday!**  
October 18, 10:00am through 4:00pm.

The ROVER -- Registration, Outreach, Voting, and Education Resource - will be here on Saturday! The 'Votemobile' started making its countywide rounds Monday, giving voters a chance to pick up a ballot, vote early, or register to vote before the Oct. 20 registration deadline. Between now and Election Day the ROVER will visit 40 sites around Riverside County.

**Save time! VOTE EARLY!**

On election days with high voter turnout and longer two-card ballots, like the one coming up, it's not uncommon to see people wait in line 30 to 40 minutes during peak voting times!
